# CONTENTS OF VOL. VI.

## LIST OF THE PORTRAITS OF TREES FORMING VOL. VI, SYSTEMATICALLY ARRANGED.

The names, scientific and English, of all the trees included in the plates forming Vols. V. VI. VII. and VIII. will be found systematically arranged in the General Contents in Vol. I., and alphabetically arranged at the end of Vol. VIII.

The number on the left hand refers to the paging of the plates in the present volume; that on the right to the page of the body of the work where the tree is treated of.
